

## The Lobby Name Tag Tamer

### Contents

Lobby Name Tag Tamer  
Carrying Case  
Removable compartment cover  
Clear sign holder

### Overview

- Use the Lobby Name Tag Tamer for expected visitors or vendors who would need badges to go beyond the reception area. When not used for badges the Lobby Name Tag Tamer is perfect when teamed with our EEH Literature Holder to present your company information, forms or notices. It is a perfect piece to bring to events with our larger Tamers.
- The Lobby Name Tag Tamer holds up to 12 standard 2¼" x 3½" name tags or 8 standard 3" x 4" name tags.
- Almost any kind of name badge, card or table tent can be held by the Tamer's lipped horizontal ledges. Magnets provide extra stability for 2¼" x 3½" or 3" x 4" name tag holders with metal clips.
- Your Tamer is specifically designed to hold only one of the following sizes of metal clip name tag holders: 2¼" x 3½" or 3" x 4". We recommend you do not use a metal clip name tag holder of a larger size than your Tamer was designed to accommodate.

### Instructions

- Lay the case open on a flat surface. Use the tab to help you lift the Tamer from the case.
- To display the Tamer, fold out the easel stand attached to the rear of the Tamer and then lift the attached diagonal brace with locking tabs. Spread open the easel wings and insert the locking tabs into the slots on the wings.
- Print the name tags, insert into holders and position in desired order on the Tamer. Kits with perforated card stock and holders are available at most office supply websites and stores. We recommend appropriately sized acetate holders with metal garment clips.
- Print or provide a sign with your organization's name to put in the sign holder. Half of a standard 8.5" x 11" sheet of paper fits in the holder.
